

SME Pro Liability Insurance: Miscellaneous Professional Services

All professionals work hard for their clients. They help companies achieve goals, provide administrative support, and provide expert guidance. From time-to-time, however, even the most fastidious professional must deal with unhappy clients, resulting in a lawsuit. Such lawsuits, even if successfully defended, can lead to loss of reputation and financial ruin.

American Insurance Professional's Miscellaneous Professional Services product is specifically constructed to provide liability protection for the unique exposures that such firms face in today's business climate.
